<p>I, Hiadar Saber Abed Miktub AL-ABOODI, want to make the following Statement under oath: When first I went to the hard site, the Americans soldiers took me, there were two soldiers, a translator named Abu Hamed. We stood in the hallway before the hard site and they started taking off our clothes one after another. After they took off my clothes the American soldier removed who was wearing glasses, night guard, and I saw an American female soldier which they call her Ms. Maya, in front of me they told me to stroke my penis in front of her. And then they covered my head again, and as I was doing whatever they asked me to do, they removed the bag off my head, and I saw my friend, he was the one in front of me on the floor. And then they told me to sit on the floor facing the wall. They brought another prisoner on my back and he was also naked. Then they ordered me to bend onto my knees and hands on the ground. And then they placed three others on our backs, naked. And after that they order me to sleep on my stomach and they ordered the other guy to sleep on top of me in the same position and the same way to all of us. And there were six of us. They were laughing, taking pictures, and they were stepping on our hands with their feet. And they started taking one after another and they wrote on our bodies in English. I don't know what they wrote, but they were taking pictures after that. Then, after that they forced us to walk like dogs on our hands and knees. And we had to bark like a dog and if we didn't do that, they start hitting us hard on our face and chest with no mercy. After that, they took us to our cells, took the mattresses out and dropped water on the floor and they made us sleep on our stomachs on the floor with the bags on our head and they took pictures of everything. Mr. Joyner shows up in the morning and give us our mattresses, blankets and food, but the second guy who wears the glasses was the opposite; he takes the mattresses, lie our hands, hit us and don't give us food. All that lasted for 10 days and the translator Abu Hamed was there. I only saw him when I arrived, but after that I knew he was there because I heard his voice during all of that. ///End of Statement///</p>
