"Two days before Ramadan Grainer the guard came with the other guards, they brought two prisoners and they made them take off all their clothes down to naked by the two guards Grainer and Davis and then they were beating them a lot. One of the prisoners was bleeding from a cut he got over his eye. Then they called the doctor who came and fixed him. After that they started beating him again.

They removed all my clothes down to naked for seven days and they were bringing a group of people to watch me naked.

They brought a prisoner with a civil case, his name is [REDACTED]. He was brought by Grainer the guard and Davis and there was a third guard, I don't know his name. They beat him a lot then they removed all his clothing then they put wire up his ass and they started taking pictures of him.

Grainer used to hang the prisoners by hand to the doors and windows in a way that was very painful for several hours and we heard them screaming.

One day Grainer and Davis brought 6 generals and they stripped them down to naked. They started torturing them and taking pictures and they were enjoying that. When the doctor came to fix the injured person, Grainer took the needle from the doctor and started stitching the cut on the injured person.

A few days before Ramadan, Grainer and Davis, and another person that came with them used beat up a man named "Amjed" who was in room number one. They were beating him very hard with a stick and Grainer was pissing on him and beating him for about a week until they injured his eye and the doctor came.

Grainer and Davis, and a third man, used to beat up a prisoner who was from Syria and strip him all night. We heard him screaming all night.

Every time a new prisoner came Grainer and Davis stripped them, beat them and took pictures. I remember one prisoner named "Wessam".

Important Point:

All the guards excluding Grainer and Davis are very good with the prisoners and the prisoners like them and respect them and are very happy with them. They give a good image of the United States and they prove by their good treatment the big difference between the Baath Party and the United States."
